

Cub Scout Pack 542 For the 2007-2008 Season

Scouting is Fun!

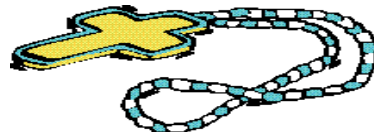

This year we have many things planned. □ Our theme for the year is “A Night at the Museum”. We will be traveling through time with a **Wild West Pack night**, a Prehistoric Pack Night and our Blue and Gold dinner will take place in **Ancient Rome**. Of course, we still have our pack camp out, Pinewood Derby, Christmas party, **opening campfire** and skit night. □

□

Scouting is also about learning and doing.

The boys will learn to work with their hands on crafts, **woodworking projects** and scientific experiments. They will learn to appreciate the outdoors with nature hikes, camping, and sports. They will broaden their minds by learning about many different subjects including **astronomy**, archery, music, wildlife, art and many more. And they will learn about **God and their country**.

If this sounds interesting, please join us at our **New Scout**

Open House on Wednesday,
September 5th at 7:00 p.m.- 8:30 pm in
the St. Thomas More Gym. □

We will have games for the boys and information for
the parents. □□

\$ The cost of registration this year will be **\$40** for the first Scout in the family, **\$30** for the second and **\$20** for each after that. □ If you wish to have a subscription to Boys Life Magazine the cost is **\$12.00** this year. □

If you have any questions, please call: Mr. Curt Anglin at (219) 844-2178 or send him an email at cubmaster@542scouts.org
