

_____ is participating in the Scouting for Food program. This nationwide program is sponsored by the Boy Scouts of America, to restock local food pantries. Many food banks and pantries start to experience shortages about this time, after the Thanksgiving and Christmas holidays are over. These donations are earmarked for the St. Vincent DePaul food pantry at the St. Thomas More Church in Munster, Indiana.

We are collecting nonperishable food items, along with paper goods and personal hygiene items (toothpaste, bars soap, deodorants, etc.).

If you would like to participate, place your donations by your front door in a bag and attach this flyer. This way you can still donate even if you won't be home or are busy during our pick up time. We will also know who to pick up donations from, and won't bother you if you chose not to participate. We will com by on _____ after _____ to pick up any donations you may have. Thank you in advance for your support!

Sincerely,
