

Cub Scout Pack 542

PATHFINDER

August 25, 2004

Welcome to a New Scouting Year!

Welcome to another great year of Cub Scouting with Pack 542. Along with tonight's registration you should have received information on several upcoming events and a pack calendar. We have made every effort to have an accurate calendar. Also, you should have received information on the popcorn sale. While selling popcorn is encouraged and welcomed, it is not mandatory for the boys in the pack. If your son does participate, the profits earned will be shared between the pack and your son's den. If you have any questions, you can call Cheryl Peters (923-7241) or Frank Pukoszek (838-4784). Please consider volunteering with the pack. This will be the last year for some of us and it's very important that we get enough help to have an excellent program this year and that Pack 542 continues to serve the boys well in the future. Any help you can give would be greatly appreciated.

Notes
